**So fein wie Seide, so unbeschwert wie ein Schmetterling.
Unaufdringlich, elegant, und mit einem Hauch von Luxus
in vielen Details.**

As fine as silk, as carefree as a butterfly.
Unobtrusive, elegant, and with a touch of luxury in
many details.

Herzliche willkommen in unserer SILK Lounge & Bar. Silk, zu Deutsch Seide, stammt ursprünglich aus China und war eine wichtige Handelsware, die über die Seidenstrasse nach Europa transportiert wurde. Unser traditionsreiches Haus verbindet den eleganten Charme aus der Jahrhundertwende mit der Geschichte der damaligen Textilhandelsbeziehung zwischen der Schweiz und dem Ausland. Die Einrichtung gibt dezente Hinweise auf eine Zeit, in der Zürich erfolgreicher Handelsplatz für exklusive Stoffe war. So erzählt jede der 5 Hoteletagen die kunstvoll inszenierte Geschichte der Beziehungen zu Frankreich, Spanien, Asien, Indien und dem Vereinten Königreich, die im 19. Jahrhundert ihre Blüte hatte.

Wir laden Sie ein, mit uns im SILK eine kulinarische Reise auf der damaligen Seidenstrasse zu unternehmen, indem Sie Ihre Liebesspeisen aus den verschiedenen Ländern auswählen.

Alle Gerichte werden in kleinen Portionen serviert. Für den normalen Hunger empfehlen wir 2-3 Teller pro Person.

Welcome to our SILK Lounge & Bar. Silk originated in China and was an important trade item that was transported to Europe via the Silk Road. Our traditional establishment combines the elegant charm of the turn of the century with the history of the textile trade relationship between Switzerland and foreign countries at that time. The furnishings give subtle hints of a time when Zurich was a successful trading center for exclusive fabrics. Thus, each of the 5 hotel floors tells the artfully staged story of relations with France, Spain, Asia, India and the United Kingdom, which had its heyday in the 19th century.

We invite you to join us at SILK on a culinary, journey along the Silk Road of that time by choosing your favorite dishes from the different countries.

All dishes are served in small portions. For normal hunger we recommend 2-3 plates per person.
